Hope you all enjoyed the event even though the weather did turn it into a battle for survival at a few of the sections. Made the scores far higher than planned, but no ones moaned to me about it yet!!! Biggest thanks must go to the observers who stood out in that constant cold rain all day.

Clubman Experts please note there was some confusion over which route to ride on section six after the first lap as some continued riding the hard route and some got the message taken by the clerk of the course to go with the yellow route so for fairness I've given you all the same scores for lap 2 and 3 on that section. Hope all ok with that.

Mike. Trials Secretary.
